

SAUDI-FRENCH ENTERPRISE PARTNERSHIP DAY

Find partners and the right know-how for the future development of the Saudi nuclear power sector, be part of one of the great challenges lying ahead for the Saudi industrial sector.

With the support of KACARE, Areva, EdF and Schneider Electric, Ubifrance invites you to meet 40 French subcontractors for the nuclear sector in France and abroad. The objective is to link French companies with Saudi firms planning to diversify and expand in that new field of activity in the mid-term.

Come and participate in B2B business meetings with 40 French companies on May, 14th. Venue: Novotel Al Anoud – Riyadh

Each Saudi Company that participates at the event will receive:

- ✓ **A table in its name, assigned for the B2B session to meet and discuss with the French companies that you will choose.**
- ✓ **An invitation for a business networking lunch sponsored by Schneider Electric.**

The programme is as follows:

- ✓ **12.30 – 14.30: Business networking lunch with the delegation sponsored by Schneider Electric**
- ✓ **15.00 – 17.30: B2 B meetings**
