

## French Tech Ticket: the French program for international startups

After a successful first edition, the French Tech Ticket program is back for 2017 with 41 partner incubators all over France ready to welcome international startups, and even more startup-tailored benefits! While 23 startup projects out of 722 applications were awarded a French Tech Ticket in 2016, 70 projects will be selected this year. Call for applications will start on June 21<sup>st</sup>. Entrepreneurs from all over the world will then be able to apply until August 24<sup>th</sup> 2016 on [www.frenchtechticket.com](http://www.frenchtechticket.com).

The 70 French Tech Ticket awarded projects will be revealed in December for the new class to arrive in France in January 2017.

### Program Benefits

- Funding: € 45,000 per team with no loss of equity (€ 20k to cover personal costs and € 25k to cover professional services)
- Resident Permit: Fast-track procedure to obtain a French resident permit
- 12 months incubation: Dedicated office space in one of France's 41 partner incubators.
- Acceleration program: Tailored program of Masterclasses, Networking Events, Mentoring sessions...
- Soft Landing Pack: "Welcome Guide" and special offers from our partners to help winners relocate easily to France
- Help Desk: A dedicated contact to help foreign entrepreneurs through administrative procedures

### Who is eligible?

- Foreign teams of 2 or 3 co-founders (the team can include a maximum of 1 French citizen)
- English speaking teams : the entire program will be held in English
- With a startup project: startups must be in the creation or growth phase.
- Startups already incorporated in France are not eligible
